

Friends of the Museum Membership Program

The Museum of the American Military Family and Learning Center (MAMF) welcomes you to join our dedicated community of friends and supporters. Please feel free to share our info with your friends.

With the cost of operations continually on the rise, membership programs help us stay operational. And, once one becomes a member, it is easy to forget that additional donations are still needed to help support the museum. Please use this form, to renew your membership or update your information. It's important to keep us informed about email address changes.

Museum of the American Military Family & Learning Center Nonprofit Membership "Friends of the Museum" Membership Program
